

Assistant Vice President for Facilities

The University of Texas at San Antonio (UTSA), one of the fastest growing universities in the country, located in beautiful, historic San Antonio, is accepting applications of highly qualified and motivated individuals for the position of the Assistant Vice President for Facilities. The Assistant Vice President for Facilities provides leadership and direction for all operational aspects of the University Operations & Maintenance, Downtown Campuses Facilities, Housekeeping and Event Services, and Business Operations support. Functions include assisting the Associate Vice President for Facilities in providing effective leadership in all aspects of facilities administration and management. The Assistant VP assures implementation of customer service-oriented policies, procedures, and standards for all department operations; assures that University facilities are constructed or renovated according to plans, specifications, schedules and budgets; reviews and approves initiatives to improve facilities operations, maintenance, administration, and facilities staff support, all in support of the tri-campus which includes Main Campus, Downtown Campus and HemisFair's Institute of Texan Cultures.

UTSA was established in 1969, and has grown to an enrollment of over 31,000 students, offering 133 academic degree programs. The university sits on a 725 acre site located at the foot of the Texas Hill Country. Candidates must have a Bachelor's degree in Business, Engineering or a professional degree in architecture. Registration as a professional engineer in the State of Texas is a preferred qualification. As a security sensitive position, employment is contingent upon a successful background check.

Interested applicants should apply via the University's job website: <http://www.utsa.edu/hr/jobs/index.html>. For more information about San Antonio and the University, please visit UTSA at <http://www.utsa.edu/home/visitors> and the City of San Antonio at <http://www.sanantoniovisit.com>.
