CHAPTER LUNCH MEETING

Texas Society of Professional Engineers

Bexar Chapter

Street Car Program

GUEST SPEAKER:

Brian Buchanan

Brian joined VIA in September 2010 as the Vice President of Bus and Rail Strategy Planning and Project Development. In this role, he is responsible for the day to day efforts of VIA's project planning, environmental planning, long range planning, real estate and engineering staff.

Prior to joining VIA, he was the Director of Design and Construction for METRO in Phoenix, AZ. In this capacity, he oversaw the final design and construction of the 1.4 billion dollar twenty mile Phoenix light rail system that opened in December 2008. This project was funded with multiple city partners and the Federal Transit Administration through Federal New Starts grant funding. Prior to this, Brian worked for a civil engineering consulting firm and held a position with CSX Transportation while going through college at the University of Cincinnati.

Brian holds a Bachelor of Science Degree in Civil and Environmental Engineering.

COST: \$20 member w/Reservation
\$25 non-member w/Reservation
