

# **Texas Society of Professional Engineers Bexar Chapter**

**VOLUME 2012, NUMBER 2**

**FEBRUARY 2012**

## **From the President's desk....**

Emails, phone calls, and meetings!!!! In between work responsibilities, our TSPE Bexar Chapter committee leaders are very busy preparing for all of the special events scheduled in February. First, our regular chapter meeting at the Barn Door will include an informative presentation from VIA. Then we have a fantastic volunteer opportunity scheduled on Saturday February 11 at the Mathcounts competition. It is truly amazing to see so many middle school students excited about math problems. It is a great experience and definitely worth your time. Another volunteer opportunity involves the Engineering Technology Challenge scheduled at UTSA on the Saturday before Engineers Week. Students and teachers spend a lot of time planning for each of the challenges. We really need chapter members to help make it a meaningful event for them. Of course everyone is also very excited about Engineers Week. Over the last several years the EWeek committee has created a lineup of programs and fun outdoor activities that really meet the spirit of Engineers Week. I understand that we expect some events to actually sell out, so register soon online at

[www.bexartspe.org](http://www.bexartspe.org).

Last week I attended the dedication ceremony for the Tau Beta Pi bent donated by the TSPE Bexar Chapter to the UTSA College of Engineering along with John Brogan, Douglas Steadman, and Carl Raba. John Brogan was instrumental in coordinating purchase of the bent and also gave a presentation on behalf of the Bexar Chapter as part of the dedication ceremony. The bent is not only a beautiful addition to the campus, but it also is generating a lot of discussion related to the mission of Tau Beta Pi which includes distinguished scholarship and exemplary character as engineering students.

Thanks to John and all of the committees who are working extra hard this month on behalf of the Bexar Chapter!

Sincerely,

*Shauna Weaver, P.E.*  
TSPE Bexar Chapter President

## **Announcement from the Engineers Week Committee ...**

Engineers Week recognizes engineers and celebrates engineering achievements that have improved and advanced our lives. The week of Feb. 19-25 in 2012 was dedicated to the annual Engineers Week program in the State of Texas and across the Nation. We celebrate this week in San Antonio with multiple events beginning on Tuesday, Feb. 19 through Saturday, Feb. 25. We are asking for sponsors to support all of our events. All profits from Engineers Week go toward funding the TSPE scholarship program.

The following sponsorships are available:

- Golf Tournament
- Sporting Clays Tournament
- 5K Run/Walk
- Engineer of the Year Banquet & Casino Night
- Promotional opportunities
- Gift Sponsors

Please visit the TSPE website for more details at <http://bexartspe.org/eweek/index.php>

FEBRUARY NEWSLETTER

**Wallace Frank Payette Jr.**

Wallace Frank Payette, Jr. passed away Monday, January 9, 2012 at the age of 82. He was a San Antonio native, graduating from Harlandale High School in 1946. He also graduated from Texas A&I University and worked for San Antonio's City Public Service Board for 27 years eventually serving as the Manager of Engineering. After leaving CPSB, he worked for Medina Electric Co-op as Chief Engineer, Poleline Electric, and retired from GHMR as a Manufacture Representative. He was a long-time member of the Chamber of Commerce winning many awards for bringing in new members. He was a 50 year member of the Scottish Rite Freemasons, Albert Pike Lodge. He was a member of the Texas Society of Professional Engineers serving as president of the Bexar County chapter in 1974. Wally was also active in church, serving as past church-school superintendent and past chairman of the Administrative Board of Laurel Heights United Methodist Church and as past chairman of the Administrative Board of Coker United Methodist Church. Wally was a gregarious person who never met a stranger or lost a friend. His favorite place in the world was his lake house on Lake L.B.J. in Kingsland. There was always a party going on and taking his guests on a moonlight boat cruise brought him great pleasure. He also participated in the Parkinson's Outreach Program of SA and Center for Movement Disorders where he made many friends. Wally is survived by his wife, Elizabeth (Edie) Daniel Payette; the mother of his daughters, Ann Price Payette; his daughters Rebecca Lynn Luna and husband John, Laura Ann Wolle and husband Wayne, and Cynthia Sue Payette; and 5 grandchildren, Miles Luna, Dylan Luna, Emily Mata, Shannon Mata, and R.J. Yawn; stepsons, Jeff Daniel, Steve Daniel and his wife Lisa and step-grandchildren, Jake and Josh Daniel. He made friends wherever he was and leaves many of them behind. In lieu of flowers, the family requests donations be made to the National Parkinson's Foundation, [www.parkinson.org](http://www.parkinson.org) or to ASPCA, [www.asPCA.org](http://www.asPCA.org). To offer condolences visit [www.sunsetfuneralhomesa.com](http://www.sunsetfuneralhomesa.com).

CHAPTER LUNCH MEETING

**Texas Society of Professional Engineers**  
**Bexar Chapter**  
Street Car Program

*GUEST SPEAKER:*

Brian Buchanan

Brian joined VIA in September 2010 as the Vice President of Bus and Rail Strategy Planning and Project Development. In this role, he is responsible for the day to day efforts of VIA's project planning, environmental planning, long range planning, real estate and engineering staff.

Prior to joining VIA, he was the Director of Design and Construction for METRO in Phoenix, AZ. In this capacity, he oversaw the final design and construction of the 1.4 billion dollar twenty mile Phoenix light rail system that opened in December 2008. This project was funded with multiple city partners and the Federal Transit Administration through Federal New Starts grant funding. Prior to this, Brian worked for a civil engineering consulting firm and held a position with CSX Transportation while going through college at the University of Cincinnati.

Brian holds a Bachelor of Science Degree in Civil and Environmental Engineering.

FEBRUARY NEWSLETTER

“Sam Dawson, P.E.”  
2012 Engineer of the Year  
TSPE – Bexar Chapter

Sam graduated from The University of Texas at Austin with a Bachelor of Science Degree in Civil Engineering. He serves as Chief Executive Officer of Pape-Dawson Engineers, Inc., which was established in San Antonio in 1965. The firm has offices in San Antonio, Austin and Houston. The company provides civil and environmental engineering services to the public and private sectors. Sam's responsibilities include the firm's management, allocation of resources, strategic planning, and operations. He also provides review and coordination of major projects.

Sam's record also includes hours of volunteer service which supports many professional, charitable and community organizations. He has held leadership roles with not only the Texas Society of Professional Engineers, but also The Greater San Antonio Chamber of Commerce, University of Texas at Austin, University of Texas at San Antonio, Trinity Baptist Church, the Witte Museum, American Society of Civil Engineers, the Rotary Club of San Antonio, the San Antonio Mobility Coalition, Professional Engineers in Private Practice, Alamo Colleges Foundation Board, Frost National Bank, City Year San Antonio, San Antonio Friends of Parks, the Cystic Fibrosis Foundation, the Metropolitan Planning Organization, the Austin-San Antonio Corridor Council, and the Express-News Community Advisory Board.

Pape-Dawson is a former recipient of the prestigious Pinnacle Award as the Corporate Citizen of the Year by The Greater San Antonio Chamber of Commerce. This award is presented to those "who demonstrate leadership, vision, innovation and dedication to the San Antonio community."

Sam learned the value of community service from his family, who have been involved in every area of philanthropy in San Antonio and South Texas for generations. In 2009, The Dawson Family was inducted into the San Antonio Business Hall of Fame by Junior Achievement. Sam is also the recipient of the ASCE - John A. Focht, Jr. Citizen of the Year Award, and the San Antonio Mobility Coalition Transportation Champion Award. He was selected as one of *San Antonio Business Journal's* 40 Under 40, and formerly selected as the State Engineer of the Year by the Texas Society of Professional Engineers. Sam is a former Co-Chair, Steering Committee member, and graduate of Leadership San Antonio.

Born and raised in San Antonio, Sam is married to Laura Ferree Dawson of Fort Worth. Sam and Laura are active in their church and in serving the community together. They have two children, Taylor and Kendall.

## FEBRUARY NEWSLETTER

“John Tyler, P.E.”  
2012 Young Engineer of the Year  
TSPE – Bexar Chapter

As a Professional Engineer at Pape-Dawson, John is responsible for project oversight and technical review, resource allocation and client support on a variety of transportation related projects. Notable projects include the Bulverde Road expansion from Loop 1604 to Evans Road, TxDOT’s Statewide Curb Ramp Program and the IH 410 widening project. John has also received an Innovation Award, Super Hero award, Employee of the Month award and five-year service award from Pape-Dawson.

John grew up in Wimberley, Texas, and attended Texas Tech University where he received a Bachelor of Science degree in Civil Engineering in 2004. He received his Professional Engineer licensure in 2009 and maintains several TxDOT Pre-Certifications.

As an active member of the TSPE, John has served on the Engineers Week Committee since 2009 and is currently the Chair of the Engineer of the Year Banquet. He is the President-Elect and Webmaster for the ASCE San Antonio Branch and is the past Secretary, Treasurer and Vice President of Programs and founder of the Public Outreach Committee. At the state level, John is the Chair of the State Public Affairs Grant with the ASCE Texas Section. His community involvement includes four years as a homeowners’ association president, Builders Exchange Education Advisory Board member, past North East ISD Education Council member and United Way sponsor
